Mothers last name _____ Mothers first name _____

Mothers employer _____ Mothers work phone _____ Cell phone _____

Mothers e-mail _____

Note: It is advisable to have an e-mail address. If you don't already have one, a free one is available at www.hotmail.com. Also, **VERY IMPORTANT**, indicate to Hotmail they are to accept BULK messages from jimfuhs@msn.com. Otherwise Hotmail will either not allow bulk e-mails through to you or will place it in your spam file.

E-mail is the fastest method of getting information to you regarding extra practice times, schedule changes, meeting announcements, parent participation needs, and any other need that arises.

To help our parent volunteers make **parent helper assignments**, please **circle at least three activity areas** that interest **your parents** most or other areas of expertise that they can help with or strengthen our program:

Opportunity areas are: team parents 50-50 raffle administrative admissions concession stand
driver event planning field maintenance fish fry public address announcing scorekeeper
Other areas _____

Manitowoc American Legion Baseball, Inc.

The OPPORTUNITY to play baseball in the Manitowoc American Legion Program is a PRIVILEGE, not an entitlement. As such, there are certain expectations made on Players AND Parents.

If you choose to participate, be prepared to accept the responsibility of being PART OF THE PROGRAM, and of the Manitowoc American Legion Baseball Family.

Player Expectations

- Conduct yourself at all times in a manner that reflects upon the values of the program. Wear your uniform with pride, shirt tucked in, hat on straight. Play with maximum effort and maximum sportsmanship. Respect the game by showing respect at all times, to coaches, umpires, fans, and opponents. Appropriate social behavior is expected on and off the field.
- Players are required to volunteer during their off times. Examples are working baseball clinics, shagging foul balls at games played by our other Legion teams, working the infield before and after games, helping with equipment maintenance, and working at Legion sponsored events. Expect to volunteer a minimum of 4 times during the season.
- The Legion Program keeps your participation fees low by running fundraisers such as raffles, fish fries and supplying labor to events that help fund the program. Expect to sell your assigned raffle tickets and volunteer to work some of the other events.

Parent Expectations

- Before ANY player is allowed to participate in ANY game, all fees, including the raffle ticket fees, are due. In addition, a **certified** copy of the player's birth certificate must be turned in to the Legion President before a player can take the field.
- Parents are also required to volunteer. Expect to work a minimum of 4 times during the season. Examples are: game day concession stand worker, main gate admission, 50-50 raffle seller, field preparation worker, PA announcer, scoreboard operator. Other opportunities to volunteer include activities behind the scenes, such as equipment managers and performing administrative duties.
- It is the policy of American Legion Baseball that players do not drive themselves to away games. Expect to drive, bringing players with you, to at least a few away games. If it is impossible for you drive, expect to have your son "chip in" for gas money.
- Parents are expected to support our fundraisers. Sell raffle tickets and attend Legion fish fries, even when you are not volunteering to work them. Expect to volunteer to work special events that raise money for the program.

By signing this document, I accept the responsibility of participating in the American Legion Baseball Program. I acknowledge that I will live up to the commitments and expectations of the Program.
